"MY LOST YOUTH"

Often I think of the beautiful town
That is seated by the sea;
Often in thought go up and down
The pleasant streets of that dear old town,
And my youth comes back to me.

Night has slowly crept around us,
Stars are in the sky,

As we bravely wave our banner
Over Weatherly High.

We will always sing thy praises,
Work for thy success,

Hail to noble Alma Mater;
Hail to W.H.S.

Blow, oh gentle mountain breezes
from the golden West,

Breathe thy peaceful evening tidings
to our W.H.S.

Orange and Black wave proudly o'er us
May you never fall,

Whisper to us words of pleasure
Lead us over all.

We, the senior class, wish to express our respect and appreciation to one who has devoted thirty-eight years of his life to the students of W.H.S. He has helped to mold the character of all who have known him, both as teacher and high school principal. His "You asked for it" motto, will long be remembered by all his students. It is an honor to dedicate the 1968 "Nugget" to Mr. Reid Rahn.

Yearbook Editors

Editors Message

As the Editors of this yearbook, we have come across many memorable and rewarding experiences.

We have tried to capture all of the highlights of our senior year in hope it will renew fond memories.

We want to thank our parents, teachers, and students who have put so much work into this yearbook. Without their help, this yearbook would not have been possible.

Editor - Linda Younker
Assistant Editor - Beth McKelvey

Message

The period through which we are passing is teaching us with increasing emphasis that there are values which are fundamental and which have been too much neglected in the conventional school of the past.

In Weatherly we are particularly interested in the present lives of the boys and girls in our case. It is our concern that the school life shall inculcate ideals and attitudes of right living which shall persist in the out-of-school life of both the present and the future.

MR. THOMAS J. WALKER, Supervising Principal

Your days of high school are now behind you. We only hope that we have contributed a background to prepare you for the demands placed upon you in the future. My wish is that each of you will succeed in the future.

There is a four word recipe for success that applies equally well to organizations or individuals - make yourself more useful.

We hope that your years in the Weatherly Schools have caused you to gather the ingredients; knowledge, attitudes, and desires to fulfill the recipe.

Class History

Freshman

SECTIONS:

9 A Miss Stauffer
9 B Mrs. Warner

In September of 1964, radiating confidence and high hopes, we embarked upon the preparation for our eventual "blast off." In late October much of this confidence (and pride) was shattered by our hard-better superiors. INITIATION!

Remnants of our pride doubled with our indefatigable verve helped us produce the chronicle of the year, "The Freshman Times."

Sophomore

SECTIONS:

10 A Mrs. McKelvey
10 B Mr. Junas

With a little experience and knowledge behind us we managed to get in the swing of things quite easily. This year our main assignment was a Christmas program for assembly. It portrayed three individual meanings of Christmas: 1. The Manager, 2. In the Toy Store, and 3. The Family at Christmas.

Junior

SECTIONS:

11 A Mr. Beninsky
11 C Mrs. McKelvey
11 ATS Mr. Knepper

Half way there!

This year granted us more privileges as well as responsibilities.

Our Activities included:

Junior Class Play - "DOWN TO EARTH"

Junior-Senior Prom held at Gus Genetti's Lodge featuring the "Kingsmen"

CLASS OFFICERS:

President - - - - - David Hinkle
Vice-President - - - - - Wayne Wagner
Secretary - - - - - Carol Gregory
Treasurer - - - - - Charlotte Hensel
Historians - - - - - Nelda Billman
Barbara Kelshaw
Richard Porter

Senior

SECTIONS:

12 A Mr. Konkel
12 CATS Mr. Steward

This year (with our newly acquired status) we had the privilege of initiating our "greenies." Some of our other activities included:

At last! The count-down has begun. We're in the last stages of training for our own orbits!
